MAYORS REPORT (cont....)

Mayor Smith said that he, City Clerk Lisa Planchard and Comptroller Linda Elias met with Mr. Laurence Leyens, Economic Developer formerly from Vicksburg (now in Ocean Springs) about 2 hours with thoughts and plans regarding economic development. He said that after discussion, Mr. Leyens suggested the additional presence of Mr. Bob Barber to facilitate the meeting regarding planning (through Planning & Zoning and Building Codes/Enforcement). The Board tentatively agreed to meet on February 6, 2015.

CITY ATTORNEY’S COMMENTS/AMEND AGENDA/EXECUTIVE SESSION

Re: Request to Amend the Agenda to add Executive Session for Pending Litigation regarding Waveland Professional Plaza Bill of Exceptions.

Alderman Lafontaine moved, seconded by Alderman Piazza to amend the agenda to add Executive Session regarding pending litigation regarding Waveland Professional Plaza Bill of Exceptions.

A vote was called for with the following results:

Voting Yea: Burke, Richardson, Lafontaine, and Piazza

ALDERMEN’S COMMENTS:

Alderman Burke:

- Alderman Burke said he and Mr. Anderson met with the Digital Engineering and HRL Contractors (Jeff Davis/Gulfside Sewer Improvements Project) and noted that March 10th will be the Substantial Completion date. He said that Jeff Davis West and Gulfside are the remaining areas to be completed. Nicholson Avenue is near completion and may need to be closed to through traffic due to the paving of that street. It was agreed that the contractor will be sending Digital Engineering a work schedule of what will be accomplished each day.
- Alderman Burke said that he and the Mayor are on the Board of Directors for the Solid Waste Authority. Currently that Board is still working to complete the 20 year plan. Alderman Burke added that Les Fillingame, Mayor of Bay St. Louis, was named President of the Solid Waste Board and Mayor Mike Smith was named Vice President for the year 2015.
- Received complaints about the Sweet Bay Hollow Bird Sanctuary in need of trash cleanup.

Alderman Richardson:

- Alderman Richardson said that he had not planned to comment on the issues presented earlier in the meeting, but said, “We talk about Waveland as a hospitality city. I’m not a social media fan, I don’t do the social media thing, but things that people put on there goes world-wide. We’re trying to bring people in to the City of Waveland; we don’t want people to say, “They’re not getting along with themselves, why would we want to go there”. Social media will hurt you sometimes and help you other times, but I feel like things like that just need to be addressed to individuals, not put it out in public. It’s our business and we need to draw people in.”

Alderman Lafontaine

- Noticed volunteers removing trash from Highway 90 and thanked them for their assistance. Mayor Smith said this was Knights of Columbus and he is sending them thank you notes.
- Alderman Lafontaine said at the Hancock County Utility Authority meeting, one of the big issues was the water system. Alderman Lafontaine wanted to let everyone know that the Board is looking at all sides of this water system issue. He told the Utility Board that the City of Waveland has to complete studies prior to committing going online with purchasing water.
- Asked whether reallocation of the Contingency Funds (related to the Close-Out of Civic Center, Library, Fire Station on Coleman Avenue and Coleman Avenue Street Improvements Project) could be used elsewhere (from 01/06/15 Board meeting). Mrs. Yarborough updated the Board about her discussion with Ms. Nicki White and grant administrator Lyn Powers; she said some of that fund was earmarked for the Museum and the remaining funds could be reallocated with a budget amendment and that she would speak to the ‘powers that be’ to see which open projects could use that funding and there were some issues that they anticipated with crossover of funds from different funding sources. She added that hopefully we will get

word from them soon as to which project will benefit the most, but it's been put on hold so that we don't lose it.

- Asked if the Court Department was suspending Driver's Licenses for overdue fines. City Clerk Planchard said she had emailed Court Clerk Rhonda Cummings a few weeks back about this but had not received a reply; she would check with her again.
- Alderman Lafontaine asked if Board could review changing the Charter to not set salaries until mid-September after an election to give elected officials time to get in and learn the budget. City Attorney Yarborough said the Charter changes would have to be reviewed by the Attorney General to ensure constitutional soundness so the Board would need to come to a consensus on how the Board would like to amend the Charter, send it to the Attorney General for approval, and then go through the process of advertisement. Alderman Piazza said that years ago the prior Board set the salaries before they left office. Alderman Lafontaine said he was open to either one. Alderman Richardson said that he favored the idea of the prior Board setting the salaries. Alderman Lafontaine asked City Attorney, Rachel Yarborough to check into this and put it on the next meeting agenda for a motion to approve amending the Charter. Ms. Yarborough said she would do that.

Alderman Piazza

- "Everything is good, Mayor".

**RESOLUTIONS/HAZARD MITIGATION GRANT ANTICIPATION NOTE
EXTENSION/PROPERTY ACQUISITION PROJECT/HMGP/ACQUISITION PROJECT**

Re: Resolution Extending Maturity Date of Line of Credit secured by Hazard Mitigation Grant Anticipation Note

Alderman Lafontaine moved, seconded by Alderman Piazza to approve a Resolution Extending the Maturity Date of that Certain Revolving Line of Credit Secured by a Hazard Mitigation Grant Anticipation Note, Series 2013A (The "2013A Note) of the City in the maximum principal amount of not to exceed seven million nine hundred twenty four thousand eleven dollars (\$7,924,011), which was issued to raise money for the purpose of providing interim financing to defray the cost of (I) The Acquisition and Demolition of Properties Located Within the 100-Year Flood Plain of the City Under the Hazard Mitigation Grant Program; (II) Construct Drainage Improvements to Sixteen (16) watersheds (basins) located within the city; and other related matters. Ms. Elizabeth Thomas with Butler Snow, Attorneys was present to answer questions. **(EXHIBIT D)**

Ms. Elizabeth Thomas updated new Board Members regarding the background of this Hazard Mitigation Grant Anticipation Note. She said the note had an expiration date of December 31, 2014, however the project is still ongoing, therefore the need to extend the expiration date for another year so the City can finish the project. She added that the note and the Statute under which this note was issued allowed the City to extend it for up to 1 year to finish the program. The interest rate, which is very low, will stay the same.

FEMA/HMGP/CITYWIDE DRAINAGE IMPROVEMENTS PROJECT

Re: Correspondence from Robert Latham approving Scope of Work Change on Citywide Drainage Project

Spread on the Minutes FEMA's letter to Mr. Robert Latham, Director of MEMA approving the Scope of Work change on the HMGP Citywide Drainage Project. Chris Nobles of AMEC was present to explain. **(EXHIBIT F)**

Mr. Nobles said this is 'just a paper work thing'. FEMA first approved the project, which was based on linear foot of ditch but the contract was based on quantities, so this is a paperwork reconciliation which will help with the pay application submittal and payment process. Mr. Lafontaine said he had several complaints regarding the Contractors and reminded Mr. Nobles that the Contractor would be responsible for any damages they do.

Re: Mr. Todd Dalton with Fox-Everett/Hub International to Discuss the City's AmRisk Policy

Mr. Todd Dalton with Fox-Everett/Hub International was present to discuss the City's renewal of AmRisk Policy for fire/wind/tornado coverages.

Mr. Dalton provided Board members with a handout and said the premiums have steadily trended downward without change coverages. He said the City has actually been able to pick up a few extra areas of coverage including 'fine arts' for the Museum. Mr. Dalton said there is over 19 million dollars in coverage for the City and the current premium is down about \$8,000 from last year.

Re: Amend Agenda to Approve Renewal of Insurance Contract Renewal for AmRisk Policy

Alderman Burke moved, seconded by Aldermen Piazza to amend the agenda to approve renewal of Insurance Contract for AmRisk Policy for fire/wind/tornado coverages with all required signatures.

**CITYWIDE PAVING PROJECT/PAVING PROJECT/FIELD ORDER
Re: Ratify Acceptance of Field Order submitted by Compton Engineering**

Alderman Burke moved, seconded by Alderman Lafontaine to **TABLE** acceptance of Field Order from Compton Engineering received regarding the Citywide Street Paving Project, instead of Construction Change Directive, as indicated in minutes of October 7, 2014. Note: Field Order to be exhibited in the October 7, 2014 minutes.

Mrs. Yarborough said she had a request for substantial completion related to this project which had apparently been removed from the agenda by then City Attorney Gary Yarborough because it was his opinion that it hadn't yet reached substantial completion because of the addition of three roads slated for paving. Mrs. Yarborough researched the difference between a Field Order and a Construction Change Directive and learned that the Field Order would mean that there is no change in contract price or length of the contract. She then told Board members that Mr. Lagasse, of Compton Engineering, would present a Request for Substantial Completion at the next Board meeting and she thought at that time it would be best to discuss this Field Order and make a determination.
